GIFT AID

As a registered Charity, we are allowed to accept GIFT AID donations from UK taxpayers. If you are a taxpayer, you could have your subscriptions or any donations treated as **Gift Aid Donations**. This makes no difference to you, but means we can claim back some tax from the Government. In fact, if you are a higher rate tax payer, you can claim some back too, just contact your HMRC office. If you would like your subscriptions or any donations that you make to be treated as **Gift Aid Donations**, please sign the declaration below and return it with your Application Form. All such payments must be made by cheque or through a standing order, be signed and include a start date. You need do no more unless you cease to be a taxpayer or wish to stop Gift Aid. If your membership lapses, we will automatically cancel the declaration.

I want the charity to treat all donations I have made for this tax year **and** all donations I make from the date of this declaration (until notified otherwise) as Gift Aid donations. I confirm that I pay an amount of Income Tax and/or Capital Gains Tax at least equal to the tax that the charity reclaims on my donations. I confirm that my full name and address are as shown above.
